Psalm 42 Words and music by Phil Campbell-Enns

G Gsus G D7/F# Gsus G
As the deer who longs for water
Bm7 C D
So my soul longs after You
C D/F# Bm Em Em/B
God refresh my desperate thirst
C D G
Thirst for something true

These things will I still remember
As they pour forth from my soul
How we gladly shouted our praise
Praise to You alone

Why, O God, have You forgotten
Left me downcast in my grief
Pick me up and help me to heal
Heal and be set free

Yet I find my hope in knowing
And my praise shall always rise
You, my help, my comfort and strength
Strength You still provide
