

Awaken in me

Words and music by Phil Campbell-Enns

D G D CAPO 3
Awaken in me this glorious morning
G A
A heart to receive the gifts of the dawn
Bm A D/F# G
Robins who echo a heavenly chorus
D Em A D
Carried by wind that enlivens their song
Bm G A D
Carried by wind that enlivens their song

Awaken in me an eye for Your beauty
A longing to see all that You reveal
Moments of laughter and tender compassion
Many the ways You attend and appear
Many the ways You attend and appear

Awaken a spirit full of thanksgiving
For shelter and warmth, for food that gives life
Meaningful work in the service of others
Play that invigorates body and mind
Play that invigorates body and mind

Awaken in us the joy of belonging
With all whom we share the journey of faith
Holding our pain, joining in celebration
Friends who embody Your love and Your grace
