

## **Consider how you have fared** (The Minor Prophets – Haggai)

Words and music by Phil Campbell-Enns

G C G Em CAPO 6  
Living in style with your selfish design  
G C D  
And pretending to not be aware  
G C G Em  
Meanwhile my home is a muddle of stone  
G D G  
Yet you don't really seem to care

C D G  
Consider how you have fared  
C D G  
Consider how you have fared  
C D G/B C  
Time to lay claim to the promise I've made  
G D G  
Consider how you have fared

Love to indulge but it's never enough  
Reaping fractions of what you have sown  
Chasing your wage, always seeking to gain  
But it all disappears through the holes

Lend all your skill then take courage and build  
We will put stone on stone, side by side  
Heaven will shake and the earth will exclaim  
That My spirit will always abide
