

Ev'ry Good Gift

Words and music by Phil Campbell-Enns

CAPO 7

C Em7 F/A C
Ev'ry good gift from our Father above
F/A C/E F G
Is a reflection of infinite love
C F/A G C
Casting out all our fear, giving life to the grave
 F G/B C
Giving hope to the faithful each day

Praise to the Spirit who guides all our steps
Filling each moment with joy and with depth
Beyond all of our knowing, beyond wildest dreams
Even deeper than earths deepest seas

Glory and honor can only belong
To our Lord Jesus who gives us our song
So that we might sing beauty and peace for the world
As we share the good news we have heard
