

## **Forever Mine** (The Minor Prophets – Malachi)

Words and music by Phil Campbell-Enns

D                    Dmaj7                    G                    D/F#                    CAPO 5  
Prepare the way for the Lord whom you seek  
Em                    Dmaj9/F#                    G                    Asus    A  
So you may stand on the day he appears  
D                    Dmaj7                    G                    D/F#  
As with a fire will your souls be refined  
Em                    A7    D  
You shall be purified

Listen o priests who pursue your own fame  
Loathing the glory that's due to my name  
Hold to the faith cling to words that inspire  
All things which I desire

G/B    Gmaj7/B    A7sus4  
Then I will draw near  
                  D/F#                    G  
And you shall be saved  
Em                    Dmaj9/F#  
Blessings will overflow  
                  G                    Asus    A7  
For my love does not change  
D                    Dmaj7  
Return to me  
                  G                    D/F#  
You will be my delight  
Em                    A7    D  
And be forever mine

That day will come and my name be revered  
Faithful will gather to share all they hear  
Justice and love will be seen as the signs  
We will be reconciled
