

God Go With You

Words and music by Phil Campbell-Enns

G G/B C D
Let the joy of God go with you
G G/B C D
Casting a light on your way
G G/B C D
Radiant beams from His warmth surround you
Am G/B C D G
Each and ev'ry day

Let the Spirit of God sustain you
Sheltered beneath His own wings
Living streams, holy dreams continue
Manna that He brings

Em Em/B C G
May God's face shine upon your path
C D
Be a light for each step
Em Em/B C G
May you know God's boundless love
C D
As you take each breath

Let our Lord of peace embrace you
Keeping you close all the while
Grace and mercy and love flow through you
Now and for all time

May God's face shine upon your path
Be a light for each step
May you know God's boundless love
As you take each breath
