

## How Long

Words and music by Phil Campbell-Enns

Am Am/G CAPO 3  
Great God in heaven turn Your ear to hear us call  
F Gsus G  
Hear ev'ry worry, ev'ry fear, and ev'ry thought  
Am Am/G  
Hold all our sorrow, hold ev'ry one in need  
F Gsus G  
Incline Your ear, O Lord, receive our simple plea

Am Am/G F Gsus G  
How long, how long, how long, how long  
Am Am/G F Gsus G  
How long, how long, how long, how long

You see the hatred and You see the foolish pride  
You see the violence take away each precious life  
Still You seem silent while people lose their way  
Incline Your ear, O Lord, respond to all the pain

A desperate show of strength, the war lords take control  
Creation cries aloud beneath the heavy load  
The guns ring steady as nations act in rage  
Incline Your ear, O Lord, help us not be afraid

We long for love to fall like rain upon the land  
We long for glimpses of a lion and a lamb  
Help us seek justice, help us to dream Your dreams  
Incline Your ear, O Lord, and bring Your gentle peace
