

I will be your God

Words and music by Phil Campbell-Enns

GUITAR CAPO 9

G D G
In your joy or heartache
Am Em D
In each bright or hard place
G D G
I am with you always
C D G
I will be your God
Am D G
I will be your God

When you're weak and broken
Lost in grief and mourning
I am still consoling
I will be your God
I will be your God

In your pain and struggle
There you will discover
You are my beloved
I will be your God
I will be your God

Knowing what you're needing
I am interceding
Always bringing healing
I will be your God
I will be your God

Advent Verse: In your time of waiting
I have heard you praying
I will send a baby
Who will be your God
Who will be your God
