

Make Us Your Own

Words and music by Phil Campbell-Enns

G Bm CAPO 3
Seeking Your face, calling Your name
C G/B D
Bringing before You our broken spirits
G Bm
Feeling our pain, holding our shame
C D G
Desperate to find our way

Am Am/G D/F# Em/B
We cry for mercy with hearts made of stone
C G/B Am7 D7/F#
Praying our hearts yearn for You alone
G Bm
So hold ev'ry soul, make us Your own
C D G
Now and forever more

Longing to see through all our fear
Into a world that reflects Your beauty
Even in tears joy reappears
Setting our spirits free

Children of faith lift up your praise
Sing of the glory and love around you
Join in the song, sacred and strong
Each breath and voice belong
