

O Long-Awaited

Words and music by Phil Campbell-Enns

CAPO 3

D D/F# G
In the days to come, in sacred time
D G A
Hear our deepest longing, hear our cry
D D/F# G
As we lift our voice and beg for signs
D A7 D
Of Your love redeeming our lives

G D/F#
O Long-Awaited
G A D/F#
All creation sings your praise
G D/F#
O Long-Awaited
G A D
Come and save us today

May a shoot appear and branch grow forth
May it bring delight and seeds of hope
Calling for return to your good work
In this holy season of birth

Give us courage for the days ahead
Meet our weakness with benevolent strength
Waken trust that's deeper than belief
And renew our soul with your peace

Though a tiny babe we call you Lord
Filled with awe at how you have become known
From a humble manger so forlorn
To creation being restored
