Offering all of our praise

Words and music by Phil Campbell-Enns

D D/F# G2 D CAPO 5
Who formed the world from a moment in time
D/F# G2 Asus A
Who brought forth beauty with sacred design
Bm A6 G D/F#
Opened the heavens so each star might shine
G A6 D
So we might glimpse the Divine

Who lifts us out of despair into hope
Who knows our failings and still holds us close
Touching our souls with a life-giving force
Arms out-stretched, calling us home

D/F# G2 D/F# G2 D/F#
We sing alleluia, to our Creator, the Ancient of Days
G2 D/F# G2 A7 D
We sing alleluia, offering all of our praise

Who heals the nations one life at a time
Who gives us visions through tiniest signs
Moving with myst'ry, eluding our sight
Yet seen in ev'ry delight

Who nurtures gifts for the blessing of all
Who nurtures faith so it slowly evolves
All a reflection of wonder and awe
Pointing to Whom we belong
