

Our Eternal Host

Words and music by Phil Campbell-Enns

CAPO 4

C G/B Em Am
Drawn together we raise one voice
Dm Dm/F G G/B
Unifying deepest breath we declare and rejoice
C G/B Em Am
That Your love brings the church to life
Dm G C
Calling forth her joy and sacrifice
Am C/G F C/E
Gifts and time shared with those who have need
F Am/F# G G/B
Given as freely as we have received, so that
C G/B Em Am
All may taste and all might see
Dm G C
And be fed by Your abundant feast

Reaching out with a gentle hand
Kindred spirits on the way as we travel the path
Past our comfort, beyond our sight
Yet made holy by the light of Christ
Love for neighbor as we love ourselves
Keep this commandment and all will be well, until
All find peace as they come to know
Jesus Christ is our eternal Host

Doors wide open and table set
We extend the hand of grace when new friends are met
Far off strangers becoming kin
Outward signs of love from deep within
One large family but still room for more
Welcoming all so God's family might grow, and the
Kingdom come here on earth today
As we celebrate in Jesus' name
