F G/B C

F G/B C

Ev'ry word and deed that leads to aching

F Gsus C

Lord forgive, restore, renew

We express our pain for those who suffer

Lord we hold them up to You

May they feel You near in all their trouble

Lord forgive, restore, renew

We lament our part in all injustice

We exclude, abuse, assume

May we live our lives so all know freedom

Lord forgive, restore, renew

We desire Your peace in ev'ry struggle

Make Your love our true pursuit

Deep within, our homes and ev'ry nation

Lord forgive, restore, renew

Permission granted for use in congregational singing
