

Return to the Lord (MP project - Hosea)

Words and music by Phil Campbell-Enns

CAPO 2

G
Hear ye the word of the Lord all you people

G
Fickle and frail, God despises your evil

C
You have forgotten the law for no reason

G
Cheating and lying and constant deceiving

Am D
Faith-less in all of your ways

G D/F# Em Em/D
You shall stumble all of your days

C D
Come and draw near once more

G D/F# Em Em/D
Return to the Lord

C D
Come and draw near once more

G
Return to the Lord

Like chaff that swirls then is gone just like morning dew
Roots that are dry and a tree that will not bear fruit
Hearts that are false and must carry the weight of guilt
Broken the covenant, pleading your innocence
Punished for all of your ways
See your glory turned into shame
Give up your silver and gold
Return to the Lord
Give up your silver and gold
Return to the Lord

Cry from your heart to the One who loves freely
Walk in the ways of the Lord who brings healing
Live once again in His shadow and flourish
Blossom like vines that will gladden and nourish
Hold fast to justice and love
Wait upon the One whom we trust
Find your future restored
Return to the Lord
Find your future restored
Return to the Lord
