D D/C# G/B A CAPO 3
Search my heart, let Your gaze pass through me
D D/C# G/B A
Search my heart, look for love that's true
D D/C# D/C G/B
Search my heart till you know it completely
Em A Bm7 Bm7/A
Find that it's longing for You
G A D
Find that it's longing for You

Know my thoughts and my motivations
Know my thoughts, all my anxious prayers
Know my thoughts, all my doubts and my failings
That I might leave in Your care
That I might leave in Your care

Lead me in Your ways everlasting
Lead me through ev'ry trial I face
Lead me on holy paths of justice
So all might sing of Your grace
So all might sing of Your grace
