

Wonderful Counsellor

Words and music by Phil Campbell-Enns

Come Lord Jesus be our guest
Holy child come down from heaven
Make your home in our weariness
Be for us the promise given

Shepherds to your throne draw near
Get so close they can't believe it
In the air above appears
Angels posed in chorus singing

Wonderful Counsellor that is who You are
Might God, maker of a million stars
Everlasting Father You will always be
The hope of the world and our Prince of Peace

From a poor and humble place
Little town, no reputation
Made some friends and you found a way
To fulfill all our expectations

Little child become a man
With a heart for the meek and lowly
Gave them food so they'd understand
Gave them love so they wouldn't be lonely

Wonderful Counsellor that is who You are
Mighty God, maker of a million stars
Everlasting Father You will always be
The hope of the world and our Prince of Peace

Now two thousand years gone by
Still we find our joy in waiting
With the prophets we will cry
And join the angels in proclaiming

Wonderful . . .
