

We will dare to praise (The Minor Prophets – Zephaniah)

Words and music by Phil Campbell-Enns

C G/B Am G CAPO 7
Your judgements rendered ev'ry morning
F G C G/B
Find that we have gone astray
C G/B Am G
Our selfish hearts refusing correction
F G C
Reckless with our faith

Remove our pride that we may seek refuge
Come before You without deceit
Then tune our ears to all that is sacred
Purify our speech

F C/E
With songs of gladness
G7/B Am7 G
All our shame is taken away
F C/E
Restored in fullness
G C
We will dare to praise

Now sing aloud O daughter of Zion
Shout o people and lend your part
The Lord has taken our transgression
Sing with all your heart

Then gather up the lame and the outcast
Hold each one as You have before
We humbly wait on Your salvation
Won't You bring us home
