C/E Dm7 Em/B Am
We turn our gaze to the heavens above

F Gsus G
And we wait on Your love

In the midst of strife, in the search for justice
Hear Your people cry in their deepest struggles
We add our tears, and we walk side by side
And we wait on Your might

When the journey's long and the path gets harder
Shine a little light, guide us through the darkness
We call on You for the strength that we need
And we wait on Your peace
