You hold all our doubts and You wipe all our tears

We offer each of our lives
F Em Am Am/G
We lay before You our sacrifice
F Gsus4 Am Am/G
Knowing that You will provide
F Gsus4 C
Knowing that You will provide

God of peace beyond our knowing
In Your refuge we will hide
You hold us close and You freely forgive
Your hand reaches out even when we deny

God of pow'r and God of beauty
Use Your hand to shape each life
Mould ev'ry soul with Your mercy and love
Transform ev'ry heart and renew ev'ry mind
